MARIETTA DAILY LEADER

MONDAY, AUGUST 3, 1920

PERSONAL AND LOCAL.

Chief Deputy U. S. Marshal Mason, of Columbus, was in the city Sunday visiting relatives.

Mrs. Elliott is in Marietta with some high-class perfumes and toilet water and will call on the ladies in the next few days.

Mr. Joseph T. Jones surprised his many friends Sunday evening, the 21, by taking to himself a wife in the person of Miss Clara L. Weyrich, of this city. The Rev. Dr. John Boyd, of the St. Luke's Episcopal church, performed the ceremony in the presence of a favored few. After the ceremony the newly wedded couple left on the B. & O. train for Oakland, Maryland, and other eastern points, to remain about a month. Both Mr. Jones and his bride are well known in Marietta, having lived here all their lives, and they have hosts of friends who will hasten to extend their congratulations and best wishes for their happiness.

H. H. Shaw, bookkeeper of the Oil Well Supply Store at Corning, spent Sunday with friends in the city.

John Taggart, of the River Gas Co., was at Parkersburg Sunday, the guest of friends.

Henry Walker has returned from Cleveland, where he has been spending his vacation, and has resumed his duties in the Oil Well Supply store.

Fred Schilling, a young boy aged about 12 years, was arrested by Marshal Parlin Saturday on a warrant charging him with pilfering old brass from Unger's warehouse on Gilman street. He will have a hearing before Mayor Meisenholder this morning.

A warrant has been issued for the arrest of William Sweeney, aged 16 years, for alleged theft of old brass from the T. & O. C. Ex. railroad.

Mrs. Wm. Johnson, who has been the guest of her sister, Mrs. Cram, during the summer, left Sunday for her home at Ironton, accompanied by Miss Myra Finch. Mrs. Johnson, much to the gratification of her many friends, has almost recovered from the injuries received recently by being struck by a runaway horse.

J. M. Sands, of Parkersburg, was in the city Sunday.

Hall Mason, of Parkersburg, was the guest of friends in Marietta Sunday.

B. F. Wood is home from Mt. Clemens, Mich. On the return journey he attended the races at Detroit and Cleveland and saw Oudan finish with the bunch in 2:11.

The Virginia passed down Sunday with her usual big trip of passengers.

Prof. M. R. Andrews expects to leave today for Texas.

The Rev. Mr. Smith of the West Side Congregational Church, preached at Rainbow yesterday afternoon, and Dr. Dickinson preached at Deyol's School House. Both gentlemen were at Unionville Church last evening.

Engineer Burt Williams, of the B. & O. S. W., has been off duty for a few days on account of illness.

Miss Bessie Neptune, who has been attending the business college here, left Saturday to spend a short vacation at her home at Highland, W. Va.

Phil Bachman and William Withum are home from Mt. Clemens, Mich.

Miss Kate Minshall will leave tonight for her home in Danville, Illinois.

Mr. Lawrence Buell, of Detroit, is visiting his mother, Mrs. E. W. Buell, Fourth street.

The Free Methodists will hold a camp meeting at Lowell, beginning August 11th and closing the 18th. There will be preaching three times a day during the meeting. No fee will be collected at the gate. Expenses will be raised by free will offering.

Contractor Berry, now at work on Third street, this city, has been awarded the contract for 15,000 square yards of street paving at Athens.

Mr. C. J. Vanvaley is off duty at the Union Depot on account of the illness of his wife.

Misses Nellie and Edith Huntley, of Pomeroy, are guests of their sister, Mrs. P. L. Stowe.

Miss Hester Smith is spending a two weeks vacation at her old home at Delaware.

Judge H. L. Sibley and wife left Saturday for Coolville to attend the campmeeting.

Mrs. Jane Ross, mother of Mrs. H. J. Miller, this city, died last week at her home at Allegheny, Pa.

And now Cambridge has the championship bee. The "Jeffersonian" says: "The Cambridge and Marietta ball clubs will play two games here next week on Monday and Tuesday. These games will be to decide the championship of Eastern and South Eastern Ohio. Marietta recently won two games from the Parkersburg team thus securing the championship of the Ohio Valley. Cambridge and Marietta are now at a tie."

Mrs. Wayne Ogle, and daughter Blanche, of Marietta, and Mrs. Maggie Brady, of Garden Grove, Iowa, are the guests of Dr. and Mrs. A. R. Cain on N. Sixth street.—Cambridge Jeffersonian.

Mr. Jack Lindsay, of Pittsburgh, is in the city.

Mr. James Holden, Front street, does not improve in health as his friends have hoped he might. He is still confined to his room.

There will be a Grove Meeting under the auspices of the Belpre Universalist Church, in Conkleton's grove, Dunham, O., August 9th. Services at 11 a. m. and 2 p. m. Basket dinner at 12:30 sun time. Rev. E. A. Coil, of the Marietta Unitarian Church will assist the pastor. Come and enjoy the services.

Miss Isabelle Anderson, of Parkersburg, is visiting friends at Vincent, O.

Forty men have been laid off from the B. & O. shops at Chillicothe as a means of retrenchment.

For lack of water in the boilers of the light plant, there were no electric lights last night, and the city was placed in darkness.

A young man was passing down East Greene street last evening, when a lady called to him: "Where are the union services this evening?" The young man, misunderstanding, thought she asked: "Where are you in service this evening?" responded promptly, "At the Leader Office." Some fun was had at the young man's expense until matters were explained.

Fred Wittig has a new mount, the "Old Hickory." The frame of the wheel is of hickory wood, laminated, and the diamond is one piece running, with no joints visible. The wheel is finished in antique oak, and is beautifully decorated with stamped steel. A novelty, it is indeed, and it is said to mark an era in wheel-making.

NO WATER.

Big Pumps Compelled to Shut Down for Repairs.

The pump at the water works station gave out Sunday forenoon and the water supply of the city was necessarily cut off, with the exception of the reserve supply in the tanks. The trouble is due to the long continued high stage of the Ohio river, the small pump provided to keep the pit free of water being unequal to the task. The big pump has consequently been running under water for several days and at the time it gave out was 14 feet below the surface of the muddy fluid. Its stoppage was caused by the sand and dirt in the water cutting out the packing.

Sunday afternoon a steam pump was secured to clear the pit and allow the needed repairs to be made, and at a late hour Sunday night we were promised the usual pressure some time this morning.

The reduction of pressure caused by the shut down left the city without adequate fire protection, but the two old steamers were immediately put in shape by the department, ready for any emergency.

AFTER THE WAR.

A Story of the Sufferings of a Prominent Pennsylvania Attorney.

From Pittsburgh Post.

Instances by the hundreds can be found all over the country of men who went into the war of the rebellion strong and healthy and came out physically wrecked. The discomforts and exposures of those four awful years left with them a legacy of disease that is bringing them one by one to their graves. And yet some are finding relief, even at this late date. One of the most interesting cases of this sort is that of John P. Doonan, a prominent pension claim attorney of Burgettstown, Pa. Mr. Doonan suffered tortures from troubles resulting from disordered kidneys and has been cured by that never-failing remedy, Doan's Kidney Pills. His story is an exceptionally interesting one.

"When I began taking Doan's Kidney Pills a few months ago," he said, "I had not eaten bread or any other starchy food, or fats of any kind, for nearly two years. For a long while I had been treated for disorders of the stomach and had taken quite a variety of strong tonics, peptones and other similar medicines without any appreciable results. To begin with, I am a total physical wreck, having, while serving with Sherman in his Georgia campaign, contracted pneumonia, which resulted in the entire consolidation of my right lung, curvature of the spine, and heart disease, for which I have been drawing a pension for more than 30 years. These organic diseases are, of course, incurable, but I have been convinced recently that my gastric trouble was due alone to kidney disorder. My father was a medical practitioner here for 50 years, and I have read quite a good deal on the subject of medicine, and so was able to diagnose my case.

"At the time I began to use Doan's Kidney Pills my urine was scant, highly colored and strong smelling; I was pale, tongue heavily coated, flesh soft and flabby, had a poor appetite, and rested poorly at night. My weight was 116 pounds. After using Doan's Kidney Pills for two months, I can cheerfully testify to their remarkable worth. My weight has increased nearly 10 pounds, flesh is much firmer, urine normal, color good and appetite excellent. I can now eat my favorite pork and beans without the slightest distress. I sleep like a child and am in every way as well as it will ever be possible for me to get. I recommend Doan's Kidney Pills to my friends and comrades on all occasions."

You can get Doan's Kidney Pills at your druggist's at 50 cents a bottle; if they will be sent postpaid on receipt of price by Foster-Milburn Co., sole agents, Buffalo, N. Y.
